

The Concierge's Coquito

*Dorado Beach
a Ritz Carlton Reserve*

The Holidays are a magical time in Puerto Rico. There's lively music, artisan markets, copious amounts of food, and above all, *coquito*! There are countless recipes for this drink, here's our favorite:

- 14oz can of sweetened condensed milk
- 2 cups (1 15 oz can) cream of coconut (like Coco López)
- 1/4 tsp cinnamon
- 1/8 tsp nutmeg
- 1 tsp vanilla
- 1 1/2 cup of rum of choice
- cinnamon sticks and star anise for garnish
- In a blender mix all ingredients, let chill, and serve cold. Package in a festive bottle for future gifting.

Whether you prefer a sprinkle more of cinnamon or a bit of ginger to spice your recipe, there are an endless ways to customize the drink. Feel free to experiment a little and, in true Holiday fashion, share with those around!
